Tim Lancaster – Bio

Tim Lancaster is a multi-instrumentalist, composer, singer. With music spanning the spectrum of pop-rock-psychedelic-punk to modern jazz, Tim Lancaster is about eliminating sonic boundaries.

Generally known for his jazz drumming, Tim Lancaster has performed with some of today's greatest musicians. With over a hundred original compositions to his credit, he continues to break boundaries with his original music spanning the far reaches of jazz and rock to modern electronic music. Pick up his latest modern rock release from his group The TIM LANCASTER Conspiracy.

The tunes on "*Conspiracy©*" were written and performed entirely but Tim Lancaster. The album features a variety of modern-rock styles full of lush layers of vocals, guitars, organ, and keyboards. The album peaked at number 73 on the College Charts January 2018.¹ The album was highlighted by the award-winning video for the song BAD SEX FACE. The video was officially selected in eight festivals for the 2018-19 film seasons, and won the Platinum Award at the Independent Shorts Award, Los Angeles, CA².
